LABOR DAY CAMPOUT

Scott & Sharon, Karin & Randy, Bud & Nancy, and Ken & I started out on a cool crisp morning at 9 AM to head up to Doe Point, We decided to stop at Apple Peddlers Restaurant as some of us were hungry. Randy needed gas so we waited in the parking lot and saw a commercial fisherman selling huge and I mean huge tuna. Off we went to our destination and set up our campsites after greeting the people already there.

It was the beginning of a wonderful Labor Day campout. Bud and Gariann Bowling took us on an adventure ride to see the mare's eggs. What a good time that was, tromping through the brush and laughing the whole time. It was an amazing site and hopefully I will remember where it is so I can share it with my children. When we got back to camp Dave & Cindy showed up with a 7 course lunch for us, I'm talking ham, salad, rolls, dessert (German chocolate cake, eclairs). What a meal. It melted in your mouth. Saturday night we had a spaghetti feed and it was wonderful. Everyone brought things so needless to say we did not go hungry. That night we all sat around the campfire and played getting to know you. It was fun and the feed back on it was so positive. Joyce Armstead won the honors of being champ of the goofy golf game. She was kicking butt. To all of you (24) plus our 4 footed friend's, Gunner, Mandy Lou, Gidget, Jim and Tipper, a great big THANK YOU for making it so fun, I could fill 6 pages of the

fun and thoughtfulness we had but will just say - God Bless & Thank You all for being part of our friendship family. See you all next year, (and as Randy would say, could I have a Amen !!!)

Fish Lake is named so because if you stand on Mt. McCloughlin it is in the shape of a fish, thank you Carmen for telling us so now we all need to go see if it is as neat as it sounds.

Rogue Valley Wings General Meeting September 19, 2009

Ken opened the meeting at 9:25 a.m. at the Black Forest Restaurant with 33 members and 3 guests present. He introduced the new guests. Birthdays and anniversaries were announced.

He presented the trophies Chapter A earned at the state rally. One was for the most pre-registered people and the other for the most members in attendance from a chapter. Well done people.

Our Fish Lake campout was a lot of fun. We didn't get the rain the valley got but it did remain cool. Cindy and Dave Anderson brought up a wonderful feast for lunch on Sat. This was absolutely delicious. We all appreciated this and pigged out accordingly. Thank you Dave and Cindy.

We had a business meeting last weekend regarding our next state rally and there are more talks going on about this. Ken will present the details to the club after all discussions are concluded.

Meet greet and eat on will take place on the 23rd and 30th of this month. Put these dates on your calendar. Meet at Burger King at 6:30 p.m.

There is a campout this weekend at Indian Mary's. This will probably be our last for the season. All are welcome. Most of us will go set up on Friday and stay until we want to leave. This is an informal get together so come for the day or evening or the whole time.

We plan to attend the Lowes safety function on Saturday between 10:00 - 2:00. Some of us will join from the campground.

There was a terrible wreck on Interstate 5 last week that involved many bikers. Apparently, a car cut off a bike and that started a chain

reaction. Remember to leave enough room between you and the next guy and watch your speed, especially in heavier traffic. Expect to be cut off because cars don't see us. Safety first.

Next month is the rut season. Watch for deer as they are everywhere.

Don addressed Helping Hands and the wonderful work they do. He reminded us of the need to give to them also.

Bonnie talked about the ride to Happy Camp yesterday. Beautiful!!

The Christmas Party is on December 13th at the Brewery in Grants Pass. We had a vote on the menu and it was decided. We will need your money in by the November meeting. It will be \$20.00 a person. Friends and family are welcome. Please, no children. The gift exchange has a \$20.00 limit and is optional. If you bring a gift, you will get one. Turn your money in to Marty please.

If you need shirts please call Carmen or Marty before the meeting so we can bring them to the meeting.

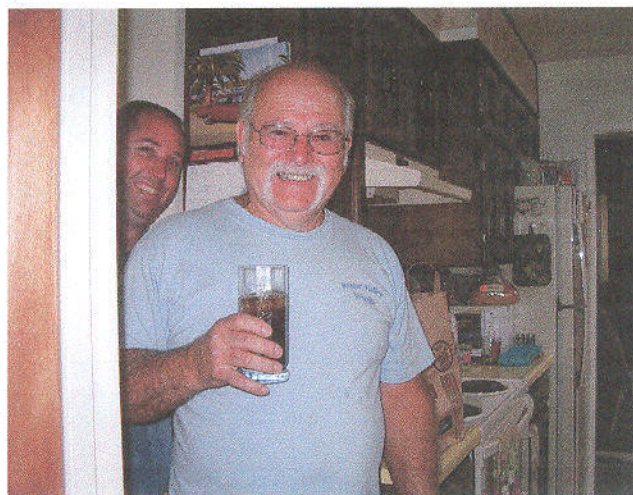

The 50-50 will be done at lunch today during the Wagys potluck.

Meeting adjourned at 10:00 a.m.

What a great time was had by all at the Wagys cook out. As usual lots of food, laughter and fun. We took a ride over to Jacksonville on the way over and it was such a beautiful day out you just wanted to keep going. We played goofy golf and sat around just talking and enjoying the fresh air. Need to do this more often. Thank you Don and Rose for such a lovely day.
