Dear Marty & Carmen Warren, Directors:

On behalf of the Rogue River Greenway Foundation Board of Directors and the Ride the Rogue Event Team please accept our sincere appreciation for your Contribution to the 2007 Ride the Rogue Bike Event. Your support for this exciting event helped ensure its continued success and additionally contributed to the development of the Rogue River Recreational Corridor and Greenway project. This project will bring added economic vitality to Southern Oregon Communities, inspire renewed civic pride and provide fresh focus for community & recreational activities.

The final tally of participants this year was 978 and nearly 1100 if you include the volunteers. This is an increase of over 300 ride participants from last years number of 675. Cyclists came from every corner of Oregon and numerous other states. We have already been receiving calls & email from folks in Portland, California and Washington etc. asking for next years date to book their vacation time to attend. The event raised over \$53,000.00 with every penny going to help build the Rogue River Greenway and Recreational Corridor.

Next years Ride the Rogue is set for Saturday, September 20th, 2008 and the planning wheels are already in motion. We hope you will continue your support for this great annual event and look forward to seeing you next year.

Sincerely,

Shayne Maxwell
